PRS KOREA 2024

PRS KOREA 2024, the 82nd annual congress of the Korean Society of Plastic and Reconstructive Surgeons, is an international conference on aesthetic and reconstructive plastic surgery. It will be held (in-person) on November 17th - 19th, 2024, at the Grand Intercontinental Seoul Parnas in Seoul, Korea.

PRS KOREA is one of the largest plastic surgery conferences in Asia, and we were delighted to host more than 1,500 plastic surgeons, especially more than 450 international faculties, and surgeons from over 30 countries during PRS KOREA 2023.

We would be more than happy to have you with us at this year's meeting and lead to further advances in aesthetic and reconstructive plastic surgery.
