Short Bio		
Dr. Allen Wei-Jiat Wong is a Consultant Plastic, Reconstructive and Aesthetic Surgeon at Sengkang General Hospital and Singapore General Hospital, and Clinical Assistant Professor at Duke-NUS Medical School. He serves as President of the Lymphoedema Society of Singapore and Deputy Vice-Chair, Research (Stem Cell), Musculoskeletal Sciences Academic Clinical Programme, SingHealth. Dr Wong spearheaded the development of the SKH Lymphoedema Service in 2021, leading it to become an SKH Signature Service and Southeast Asia's first LE&RN Center of Excellence for lymphatic disease surgery. His clinical and academic interests include reconstructive microsurgery, lymphatic surgery, immediate lymphatic reconstruction, and novel techniques of reconstruction. He is actively involved in research, education, regional collaborations, and public advocacy to advance evidence-based lymphoedema care in Singapore and beyond.		
Professional Society Memberships (Optional)		
President, Lymphedema Society of Singapore		

Korean Society of Plastic and Reconstructive Surgeons
