Short Bio		
Andrea Lisa, MD, PhD Candidate, is a board-certified plastic surgeon at Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico in Milan. His clinical practice focuses on breast reconstruction, oncoplastic surgery, oculoplastic and craniofacial surgery, and aesthetic plastic surgery. He previously worked at Humanitas Research Hospital and the European Institute of Oncology (IEO), developing extensive expertise in implant-based breast reconstruction and regenerative surgery. His academic activity includes more than 105 publications indexed in PubMed, with an h-index of 17, as well as involvement in several multicenter clinical studies and international collaborations. He serves on the editorial boards of PRS Global Open and Annals of Breast Surgery and is an active reviewer for several international journals. His main research interests include breast reconstruction, fat grafting, regenerative surgery, oculoplastic surgery, and evidence-based plastic surgery.		
Professional Society Memberships (Optional)		
- Italian Society of Plastic, Reconstructive and Aesthetic Surgery (SICPRE) - European Association of Plastic Surgeons (EURAPS) - International Confederation of Plastic Surgery Societies (ICOPLAST)
