

PRS KOREA 2026

November 8(Sun)~10(Tue), 2026

Grand Intercontinental Seoul Parnas, Seoul, Korea

60TH
ANNIVERSARY

Curriculum Vitae

Personal Information		
Title	Dr.	
Full Name	Bernard T. Lee	
Academic and Professional Credentials	MD, MBA, MPH	
Affiliation	Harvard Medical School & Beth Israel Deaconess Medical Center	
Country	United States of America	
Short Bio		
Bernard T. Lee, MD, MBA, MPH, is Professor of Surgery at Harvard Medical School, Chief of the Division of Plastic and Reconstructive Surgery at Beth Israel Deaconess Medical Center (BIDMC), and Vice Chair of Finance in the Department of Surgery. His expertise lies in breast reconstruction, and he has developed a nationally recognized microsurgery program specializing in autologous reconstruction using perforator flaps. Dr. Lee's clinical research focuses on patient outcomes, patient satisfaction, health disparities, and health literacy. In addition, his basic science laboratory focuses on the development, implementation, and translation of novel imaging systems for microsurgery and vascularized composite allotransplantation, supported by multiple NIH R01 grants. He has authored more than 370 peer-reviewed publications and serves as Editor-in-Chief of the Journal of Reconstructive Microsurgery. He is also an editor of the textbooks Encyclopedia of Flaps and Imaging for Reconstructive Microsurgery. Dr. Lee has served as President of the Plastic Surgery Foundation, President of the New England Society of Plastic and Reconstructive Surgeons, Director of the American Board of Plastic Surgery, and Chair of the Oral Board Examination Committee.
