Short Bio		
C. Bob Basu, MD, MBA, MPH, FACS, is an internationally recognized, board-certified plastic surgeon with more than 22 years of experience and over 18,000 cosmetic procedures performed. He is the founder and managing director of Basu Aesthetics + Plastic Surgery, one of the most respected aesthetic plastic surgery practices in the United States, and has been consistently named to Newsweek's list of America's Best Plastic Surgeons from 2020 to 2026. Dr. Basu currently serves as President of the American Society of Plastic Surgeons (ASPS), the world's largest organization of board-certified plastic surgeons, representing more than 11,000 members worldwide. In this role, he helps shape surgical standards, advance patient safety, and promote plastic surgery education both in the United States and internationally.
