November 8(Sun)~10(Tue), 2026

Grand Intercontinental Seoul Parnas, Seoul, Korea

60TH
ANNIVERSARY

Curriculum Vitae

Personal Information		
Title	Dr.	
Full Name	Charles Randquist	
Academic and Professional Credentials	MD	
Affiliation	Victoriakliniken	
Country	Sweden	
Short Bio		
Dr. Charles Randquist is a Swedish plastic surgeon and the founder and Medical Director of Victoriakliniken in Stockholm, Sweden. He has been a specialist in plastic surgery since 1996 and established Victoriakliniken in 2000. He received his medical degree from Karolinska Institute and completed plastic surgery training that included Karolinska Hospital in Stockholm and Sahlgrenska University Hospital in Gothenburg. His clinical experience includes aesthetic and reconstructive plastic surgery, with a particular focus on aesthetic breast surgery and tissue-preserving techniques. Dr. Randquist has trained and lectured internationally on breast surgery. His work includes the development and teaching of tissue-preserving approaches such as MIA Femtech and Preservé. He has also participated in clinical research on breast implants and breast augmentation outcomes. He is a member of Swedish professional medical and plastic surgery associations and has contributed to international surgical education.
