

PRS KOREA 2026

November 8(Sun)~10(Tue), 2026

Grand Intercontinental Seoul Parnas, Seoul, Korea

60TH
ANNIVERSARY

Curriculum Vitae

Personal Information		
Title	Dr.	
Full Name	Deana Shenaq	
Academic and Professional Credentials	MD	
Affiliation	Rush University Medical Center	
Country	United States of America	
Short Bio		
Deana Shenaq, MD, is an Associate Professor in the Division of Plastic and Reconstructive Surgery at Rush University Medical Center. She serves as the Program Director of the Integrated Plastic and Reconstructive Surgery Residency and the Director of Microsurgery and Breast Reconstruction. Dr. Shenaq specializes in both implant-based and autologous breast reconstruction and in microvascular techniques for lymphedema treatment. She completed a medical degree with honors at The University of Chicago Pritzker School of Medicine and residency at The University of Chicago Medical Center. Dr. Shenaq then pursued an advanced Fellowship in Reconstructive Microsurgery at Memorial Sloan Kettering Cancer Center. Dr. Shenaq is an accomplished writer and researcher who has authored over 50 peer-reviewed scientific journal articles, abstracts, and book chapters. Her current research interests focus on patient-reported outcomes in breast reconstruction, surgical education, and quality improvement. Dr. Shenaq has held various national leadership positions, including Chair of the Young Plastic Surgeons Steering Committee and Vice Chair of the Assembly of Member Sections of the American Society of Plastic Surgeons. She is very committed to international volunteerism and participates in global mission trips to provide high-quality surgical care to the underserved.
