Title	Dr.	
Full Name	George Kokosis	
Academic and Professional Credentials	MD	
Affiliation	Rush University Medical Center	
Country	United States of America	
Social Media or Website (Optional)	Instagram: @georgekokosis	
Short Bio		
Dr. Kokosis obtained his medical degree from the University of Athens Medical School. He completed his general surgery residency and a two-year research fellowship at Duke University Medical Center in Durham, North Carolina, USA. He then went on to complete his plastic surgery residency at Johns Hopkins Hospital in Baltimore, Maryland, USA, followed by a microsurgery fellowship at Memorial Sloan Kettering Cancer Center in New York City, New York, USA. He is an Associate Professor of Plastic and Reconstructive Surgery and Director of Research in the Division of Plastic Surgery at Rush University in Chicago, Illinois, USA. He also serves as the Director of Surgical Artificial Intelligence and Innovation in the Department of Surgery at Rush. Dr. Kokosis has expertise in both aesthetic and reconstructive surgery. His clinical interests include breast reconstruction, complex microsurgical reconstruction, and aesthetic surgery of the breast and body. Dr. Kokosis has authored more than 80 original articles in peer-reviewed journals, as well as several textbook chapters. He has been an invited lecturer at numerous national and international conferences.		
Professional Society Memberships (Optional)		
Dr. Kokosis holds multiple leadership positions at Rush and within regional and national organizations. He serves as Secretary of the Medical Staff at Rush University Medical Center and as a board member of the Illinois Society of Plastic Surgeons. He also serves on the Young Microsurgeon Group Committee of the American Society for Reconstructive Microsurgery (ASRM) and as Secretary of the Plastic Surgery Research Council (PSRC).
