Short Bio		
Dr. Hernán Pinto is a highly accomplished physician and scientist with extensive expertise in aesthetic medicine, biomedical research, and medical education. He holds an M.D. from UBA, a Ph.D. from UMBA, and an M.Sc. from UB. His academic background also includes several master's degrees and postgraduate certifications in Transplant Procurement Management (TSF) and Aesthetic Medicine (UIME). Dr. Pinto serves as Co-Director of the Postgraduate Course in Medical Writing at UAH. He is actively involved in scientific societies, serving as Technical Director of the Scientific Commission of SEME, and is the founder of the i2e3 Biomedical Research Institute. With more than 20 years of private practice in aesthetic medicine, Dr. Pinto is recognized as a key opinion leader both in Spain and internationally. His academic achievements include more than 900 conference presentations and 60 published papers. He also holds CETC certification as a European Transplant Coordinator (ETCO).
