Short Bio		
Dr. Jerry Chih-Wei Wu is a board-certified plastic surgeon in private practice at Elysee Aesthetics Medical Center in Taiwan. He graduated from National Taiwan University College of Medicine in 2003 and completed his plastic surgery residency at Linkou Chang Gung Memorial Hospital in 2009, followed by a fellowship in breast reconstruction. During his tenure there, he became Director of the Breast Reconstruction Center and the Plastic Surgery Intensive Care Unit in 2015 and was appointed Assistant Professor in 2016. In 2017, he entered private practice, and in 2023 he founded Elysee Aesthetics Medical Center, where he focuses on aesthetic and reconstructive breast surgery. Dr. Wu also contributes actively to academic medicine through book chapters, peer-reviewed publications, and conference presentations. His expertise spans microsurgical reconstruction and aesthetic breast surgery, and he continues to share his experience at international meetings while maintaining a busy clinical practice.
