Short Bio		
Dr. Lisa Wen-Yu Chen is an Attending Surgeon in Plastic and Reconstructive Surgery at Chang Gung Memorial Hospital, Linkou, Taiwan. She graduated from National Defense Medical Center and ranked first in the Taiwan Plastic Surgery Board Certification Exam. Dr. Chen holds board certifications in General, Hand, and Plastic Surgery. To advance her expertise in facial palsy reconstruction, she completed clinical observerships under Dr. Daniel Labbé in Caen, France, and Dr. Andrés Rodríguez-Lorenzo at Uppsala University Hospital, Sweden. Her primary clinical and research interests include peripheral nerve reconstruction, facial reanimation, microsurgery, and robotic surgery. An active academic researcher, Dr. Chen has published numerous first-author papers in high-impact SCI journals—including Microsurgery and Journal of Robotic Surgery—and authored multiple book chapters for Springer.
